

Town of Middlefield Communications Committee

Open meeting: November 30, 2015

Committee members present:

Howard Knickerbocker
Steve Harris
Joe Kearns

Minutes:

Meeting called to order at 2:10 pm.

Approved minutes of 11/23 meeting as read.

Howard presented his preliminary design for an enhanced town-wide emergency communications repeater system.

Steve moved to allow the expenditure of up to \$1,000 from the website technology account to prepare a design and cost estimate from Howard's his preliminary design for an enhanced town-wide emergency communications repeater system. All voted in favor.

Discussed MLP votes of 2011. Howard will email the Selectboard to request town counsel to review the votes to see if the town is now a legally constituted MLP.

Meeting adjourned at 3:15 pm.
