

# **Town of Middlefield Communications Committee Wireless Mic Instructions**

## **Using the wireless mics**

To use the wireless mics:

1. Turn on the power switch to the left of the enclosure cabinet.
2. Turn on the power to the Behringer Europower Mixer & the GTD Audio wireless mic system.
3. Power on the mic(s).
4. Turn on the level knob(s) and test mic(s) while adjusting gain.
5. After using the mic(s), reverse the above steps.
