Alan opened the meeting at 7:02.

We reviewed minutes for the meetings in September, July and June. Alan made a motion to approve all minutes, Kim seconded, and all voted in favor.

Alan mentioned that Wayne only needs two more electives in order to complete his MACC certification. Alan passed out membership cards from MACC.

Resident Terry Crean inquired about the procedure for filing Requests for Determination of Applicability. Alan and other members explained the procedure for ruling on residents who are in violation of the Wetlands Protection Act. We sent Terry a link to the Mass.gov page that contains an explanation and an actual RDA form.

The meeting was adjourned at 7:35.

Respectfully submitted,

Carol Waag
