

Middlefield Conservation Commission

Minutes of Meeting and Public Hearing

August 2, 2017

Middlefield Town Hall

In attendance:

Kim Baker

Mitch Feldmesser

Carol Waag

Mitch Feldmesser opened the meeting at 6:13.

The minutes from July 5th were approved as written.

We discussed the Courtney project. Carol made a site visit today to see the mitigation area. There were 4 blueberry cultivars and 1 crab apple planted in the lawn to the south of the shed, in an area roughly 400 square feet. Our agreement at the Public Hearing on 7/29/16 was that the mitigation area would be increased to 600 sq. ft. and be comprised of 2 red maples and 6 blueberry bushes. We sent a letter to Mary Courtney to that effect, and will make a site visit upon completion.

Carol will print out the Certificate of Compliance 221-0032 for the Kamaroff's 2010 project and bring it to the next meeting.

We closed the meeting at 7:28.

Our next meeting will be Wednesday, September 6 at 6 pm.

Respectfully submitted,

Carol Waag
