PRESENT: Dale Hoag, Judy Hoag, Ed Vivier

The Finance Committee met with the Selectboard for a final review of the Annual Town Warrant.

Re. article 20, the selectboard agreed to fund a used fire tanker as requested by Chief Ron Radwich. The funds, up to \$30,000 will be taken from the Free Cash account.

After a short debate, articles 21-24 requested by the Highway Dept. will also come from the Free Cash account.

Re. article 31, A Citizen's Petition, will remain the same as written on the warrant but may later be challenged legally.

Re. article 30 to appoint a part time Town Administrator for \$35,000, the board agreed to seek grant funds and to set a job description if the article passed at the ATM.

Our meeting with the Selectboard ended at 8pm.

Respectfully submitted,
