

Planning board minutes

12/1/2015

Called to order at 5:30 pm

All members present

A survey of land was presented to the Board for approval and signatures. A long discussion of the Board's function in approval of any changes in the use of the land and its dimensions ensued. Only the formality of signatures is required of the Planning Board. All other considerations are covered by the Building Inspector And their rigorous procedures. The responsibility of the planning oard is confined to directing the applicant to the appropriate inspector. Vote was taken to approve the subdivision vote was unanimous for road frontage and acreage only for Kozynoski property

The Board will meet next on 12/16 at 5:30 pm
