Called to order at 5:57pm

Reviewed minutes from September 4<sup>th</sup> and 17<sup>th</sup>.

Reviewed latest recommendations from Town Counsel. Remove word "ordinance" and capitalize Marijuana Establishments etc. everywhere in the bylaw. Reviewed site plan definition.

Discussed medical marijuana treatment center and how we have been informed that we have no control over it. State only. We will try to determine if the information is accurate.

Discussed how to present this draft bylaw at the upcoming public hearing. 2 minutes to comment seems like an appropriate amount of time per person. Will present each article separately.

Next meeting will be Oct 10 at 5:30pm followed by the public hearing at 6pm.

Meeting adjourned at 7:00 pm.

Respectfully submitted
