

Town Center Committee
7/13/16 Meeting Minutes

The meeting opened at 7:15. Committee members in attendance were Judy Hoag, Jay Swift, Carol Waag and Maureen Sullivan.

Mr. Swift gave a recap of the Select Board's discussion re reappointment of members to the Town Center Committee.

A discussion of the development of a survey to send out to the citizens of the community ensued. It was decided that the best approach to gathering community input on the future of the former general store site would be to start with an event at the store at which the Committee would provide a progress update, a period to pay homage to the structure and its place in the community. Involvement of the Heritage Society event was suggested.

It was decided that the nomination and election of Chairman and Secretary would be done at the next meeting on July 27th.

Respectfully Submitted,
Maureen Sullivan, Secretary
