**Board Members present:**

Chair Mitch Feldmesser, Terry Crean, Bob Costa and alternate Jay Swift.

Building Inspector: Bill Gerard

The Chair opened the meeting at 6:03 P.M.

Public Hearing: On February 5, 2015, Stephen Burke of Town Hill Rd. applied to the ZBA for a special permit to live in a camper for six months while his house is being built. At that time, Mr. Burke did not have a building permit which is a requirement to get a special permit. The hearing was continued to a date uncertain. Mr. Burke has not notified the Board of any progress concerning the building permit. A notice to Mr. Burke concerning today's hearing was returned and will be resent to an updated address. Bob Costa made a motion to continue the hearing until October 9, 2015. Terry Crean seconded the motion. Motion passed unanimously.

Respectfully submitted,
