

Middlefield Conservation Commission

Minutes

April 5, 2017

Middlefield Town Hall

In attendance:

Kim Baker

Mitch Feldmesser

Carol Waag

Mitch Feldmesser opened the meeting at 6:12.

We reviewed the February meeting minutes, and approved them as written 3-0.

We again reviewed the septic system repair at 157 Chipman Road. This project, occurs within 200 feet of Glendale Brook but outside of the 100 foot mark, so it is not within our jurisdiction. We will send a letter to that effect to the engineer.

The next meeting will be Wednesday May 3 at 6 pm.

Having no further business, we closed the meeting at 6:59.

Respectfully submitted,

Carol Waag
