

MIDDLEFIELD BOARD OF SELECTMEN

Middlefield Town Hall

February 16, 2010

Present: Robert Gazda, Mary Courtney, Larry Pease

Others: Joe Kearns, Marin Laurel Paine, Maureen Sullivan, Ray Gero, Skip Savery

- Meeting officially opened at 7:30 p.m.
- In response to request by Peter Oigny "Middlefield Grange" to hold community dinner, the BOS gave their approval for either March 6 or 13th.
- The BOS agreed on a work meeting for Sunday, February 21st @ 9:00 a.m. Secretary will post.
- Skip Savery reported that the valve that runs all the hydraulics for the town's new used truck has just arrived today. It had been ordered at Thanksgiving. He is going to blast the frame and do a few other things, because it makes no sense to put it together and take it apart again at this late date. A couple of loads of salt and 2 rounds of sand came in.
- Ray Gero "Veteran's Agent" would like to get the Bancroft Bridge named after the fallen Middlefield hero "Jeremy Bouffard". He has approached the family because they would need to send in a request in order for this to happen, but has not received a response. Ray notified the board, that a vehicle, with no plates on it has been parked opposite the Church with a " for sale" sign on it. According to Ray, it is illegal to do this on private property. The BOS will contact Tom Austen " Chief of Police " on this matter.
- Larry Pease stated that there is a locked cabinet available for BOS. Secretary received the key and deposited the executive minutes into it.
- Mary Courtney read the Feb.8, 2010 meeting minutes. The Selectboard accepted the minutes, and signed them.
- Maureen Sullivan " Planning Board " requested a status update on her request for correspondence re: Harry Pease Rd. Discussion ensued.
- Meeting was adjourned at 8:15 p.m.

Meeting minutes were submitted by Suzanne C. Lemieux
